“Advancing the Human Spirit”

**Adult Community Autism Program
(ACAP)**

18 Font Version

**Network Provider Directory
2018**

HOW TO USE THIS DIRECTORY

This directory includes important information about the professional, hospital, facility and ancillary providers that are a part of the Adult Community Autism Program (ACAP) Provider Network.

Keystone Autism Services is pleased to offer you this directory and reminds you to work closely with your assigned ACAP Supports Coordinator to connect you with the Primary Care Physician (PCP) of your choice. Your Supports Coordinator will arrange all of your behavioral health and medical health services, including both general practitioner and specialist appointments, and will also arrange transportation to and from services, when needed.

You will note that your directory is divided by provider type including *Dentistry, Family Medicine/Primary Care Physician, and Specialty Services*. Within each category, the directory is further divided by county and the city in which the service type is provided. All entries are listed alphabetically. If you need a provider who speaks a language other than English, a Medical Assistance Language Line can be used to arrange interpreter services by calling 1-866-872-8969. Your Supports Coordinator can also help you with using the language line or to help you find a provider who meets your needs or will arrange for an interpreter service free of charge.

DIRECTORY UPDATES

Keystone Autism Services will provide Program Participants with update pages as changes occur within the ACAP Provider Network upon request. Please check our website for quarterly updates at **keystonehumanservices.org**. Click on “Autism Services” under the services tab and you will find “Network Provider Directory” as one of the options listed below. If a network provider that you had previously chosen no longer participates in the network, your Supports Coordinator will assist you with accessing a network provider of equivalent training and experience.

If you are not pleased with your PCP, please make your Supports Coordinator aware of your dissatisfaction either verbally or in writing. Your Supports Coordinator will work with you to address your concerns. If you wish to change your PCP, your Supports Coordinator will assist you with accessing a new PCP within fourteen (14) days of your request to change. If a Participant requests a change of PCP a third time in one year, approval must be sought from the KAS Medical Director.

Participants may seek a second opinion from a qualified health care professional within the network, if available, and if not available, your Supports Coordinator will arrange for you to obtain a second opinion from a qualified health care professional outside of the network, at no cost to you.

You will notice that some providers have a notation that states they are open to existing patients only. In most cases, if this message is not listed beside the practice name, the practice is open to all patients. Please contact your Supports Coordinator when you wish to schedule with a new physician or specialist so

that he/she can assist with the referral process, when necessary, and so they can assure that you receive prompt medical service.

Please remember that maintaining contact with your Supports Coordinator, utilizing a provider within the ACAP provider network and obtaining a referral, when indicated, are all important in order to ensure that your services are paid for through ACAP. If at any time you have questions about ACAP coverage or the provider network, please contact your Supports Coordinator or the Director of Provider Relations at 717-220-1465 or Toll Free at 1-877-501-4715.

IMPORTANT TIMELINES FOR YOUR AWARENESS

Your Supports Coordinator will schedule all medical appointments for you, adhering to established timelines for service delivery.

Within fourteen (14) days of enrollment into ACAP, you will be assigned a PCP or Specialist, if you have not chosen from the network directory provided.

Within three (3) weeks of enrollment into ACAP, you will need to have a physical exam, with vision screening, completed by your PCP, unless you received a physical exam within three (3) months prior to the enrollment into ACAP.

Your Supports Coordinator will arrange for you to complete a physical exam, including vision screening, on an annual basis.

If you have an urgent medical and/or behavioral need, your Supports Coordinator will arrange for you to be seen within twenty-four (24) hours of your request.

If you need a routine medical appointment with your PCP, your Supports Coordinator will schedule the appointment within seven (7) days of your request.

If your PCP has referred you to see a Specialist, your Supports Coordinator will schedule your appointment within seven (7) days of the referral by the PCP.

IF YOU NEED EMERGENCY SERVICES, GO TO THE NEAREST EMERGENCY FACILITY OR CALL 911 FOR ASSISTANCE.

ACAP DOES NOT REQUIRE PRIOR AUTHORIZATION FOR EMERGENCY SERVICES.

AFTER HOURS CARE

Keystone Autism Services will ensure that the Provider offers emergency on-call services twenty-four (24) hours per day, seven (7) days per week and that service hours offered to ACAP Participants mirror those offered to other MA service recipients.

Keystone Autism Services can also be reached, twenty-four (24) hours per day, seven (7) days per week by calling 717-220-1465 or Toll Free at 1-877-501-4715.

SERVICE AREA

The ACAP service area includes providers in Chester, Cumberland, Dauphin and Lancaster Counties. In addition, providers based in counties adjacent to the three counties named may participate in ACAP to better serve Participants.

OUT OF AREA COVERAGE

ACAP Participants may receive out of area emergency services and must contact Keystone Autism Services at 717-220-1465 or Toll Free at 1-877-501-4715 after receiving emergency service care. Any follow-up care to an emergency service while traveling outside of the service area must be pre-authorized by Keystone Autism Services.

If you require urgent health services (non-emergency care) while traveling outside of the service area, you must call Keystone Autism Services at 717-220-1465 or Toll Free at 1-877-501-4715 to receive prior authorization.

ACAP does not pay for routine care (such as a physical) or other non-urgent care provided outside of the Provider Network.

EYE EXAMS AND EYEWEAR

There is no waiting period to receive eye coverage through ACAP. Each Participant enrolled in ACAP is eligible for an annual eye examination. The annual eye examination must be completed by an eye doctor who participates in ACAP's Provider Network.

Annual eye examinations can be scheduled by your Supports Coordinator or you can elect to schedule the appointment yourself. If you do not wish to utilize the Supports Coordinator for scheduling it is important to contact your Supports Coordinator with the time, date, and place where the appointment will occur after you or your family schedule the examination. Upon arrival to your eye examination provide the facility with your ACAP insurance card, as well as any and all other insurance cards from which you receive coverage.

Each Participant of ACAP who receives a prescription for corrective lenses is eligible for one pair of eyeglasses (frames and lenses) per calendar year; contact lenses can be substituted for eyeglasses. Participants are not covered to receive both eyeglasses and contact lenses within the same calendar year unless deemed medically necessary. Eyeglasses (frames and lenses) are covered up to \$200 all-inclusive cost; any additional fees are the responsibility of the Participant.

Contact lenses can be substituted for eyeglasses with the total allowable expense not to exceed \$200 for the total cost of the lenses per calendar year. Necessary solutions, eye drops, cleaners, etc. that are needed for the wear of contact lenses are not the responsibility of ACAP.

Conditions that require additional treatments, such as eye infections, cataracts, and glaucoma, are considered medically necessary and said treatment is covered through the ACAP Provider Network.

CHOOSING A PROVIDER

Your Supports Coordinator will assist you with choosing your Primary Care Physician and/or Specialist. Some of the things you should think about when choosing a provider are:

- Is the office conveniently located?
- Do you have a current or previous relationship with a specific provider or physicians group?
- Do you have language or other special needs that may require translation services?

PRIMAY INSURANCE

If participants have primary insurance, services must be processed through that insurance prior to using ACAP insurance. Providers should be selected based on the primary insurances guidelines and do not have to be an in-network provider with ACAP. However, those providers should be given the ACAP insurance information for processing claims where ACAP may have some payment responsibility (e.g. copays).

IMPORTANT REMINDER

Please contact your Supports Coordinator for coordination of your medical appointments and services, including transportation to and from your appointments and assistance with any required paperwork.

If you have any questions about your benefits and/or aspects of your health care coverage or you wish to voice a concern about a specific provider within the network, please contact the Director of Provider Relations by calling 717-220-1465 or Toll Free at 1-877-501-4715. The Director of Provider Relations is available to you Monday through Friday, 8:00 a.m. to 5:00 p.m. After normal business hours, you may leave a message for the Director of Provider Relations and you will receive a call back the next business day.

**ALWAYS CARRY YOUR MEMBER IDENTIFICATION
CARD WITH YOU IN THE EVENT OF AN
EMERGENCY AND
PRESENT YOUR CARD EACH TIME YOU SEEK
MEDICAL SERVICES**

DENTAL

Bi-annual dental exams (twice per year), including cleanings, are considered routine medical treatment and do not require a referral from a Primary Care Physician.

MEDICAL SPECIALISTS

NOTICE: PLEASE SEE THE LANCASTER GENERAL HEALTH ADDENDUM FOR OTHER POTENTIAL SITES WHICH MAY INCLUDE ACCESS FOR CHESTER COUNTY.

The providers in the following section are ACAP Network Specialists; Specialists are listed by county and specified by city; specialty services are listed alphabetically within the city listed.

Referral Requirements

Your PCP will refer you to a specialist or provider who will provide the services you need. If you receive specialty care without obtaining a referral, ACAP may not cover the service and you may incur out of pocket expenses for the service(s).

BEHAVIORAL HEALTH SERVICES

NOTICE: PLEASE SEE THE LANCASTER GENERAL HEALTH ADDENDUM FOR OTHER POTENTIAL SITES WHICH MAY INCLUDE ACCESS FOR CHESTER COUNTY.

Behavioral Health Services that are medically necessary include out-patient therapy provided by a licensed psychologist, psychiatrist, clinical social worker, or other licensed and or certified therapist specializing in behavioral health support services. The medical necessity of behavioral health services outside of the ACAP clinical team will be discussed and re-evaluated during the ISP process. The Supports Coordinator will schedule appointments that are identified as a medical necessity and as recommended by the ACAP clinical team.

SPECIALIZED THERAPIES

NOTICE: PLEASE SEE THE LANCASTER GENERAL HEALTH ADDENDUM FOR OTHER POTENTIAL SITES WHICH MAY INCLUDE ACCESS FOR CHESTER COUNTY.

Specialized Therapies include music therapy, occupational therapy, speech and language therapy and physical therapy services. ACAP's network of specialized therapists are licensed and/or certified to provide support services to participants of ACAP. Specialized Therapies may require a referral from a Primary Care Physician, but can also be authorized by the Behavioral Health Practitioner. All services are identified and scheduled based on medical necessity.
